

Date : 31 Dec. 2020

Dear Parents

Turning the page of Pandemic Year 2020 with your active support we are entering in the year 2021. We wish all students and their parent a Very Happy, Healthy and Peaceful New Year 2021.

Students have lost direct interactive session with teachers. Community togetherness during college hours to build harmony has also been affected due to spread of COVID-19, which was taken as a challenge by the entire society.

Efforts were made by AEJC, Mumbai Management and Teachers to bridge the gap through online classes/interactive sessions, activities like CCA etc. Besides after arrangement for the prevention of spread of COVID-19 with procurement and installation of touch less sanitizer/soap dispenser, sodium hypochlorite solutions, digital thermal scanning system, maintenance of physical distancing during the visit to AEJC Mumbai, COVID GYAN (in collaboration with HBCSE), etc.

Online Assessment of various types like, MCQs, Objective & Subjective have also being conducted with the belief that **students get involved in smooth and fair conduct of assessment on earned knowledge.**

All students must **honestly dedicate few months for comprehensive learning** with proper preparation for forthcoming Annual Examination 2021 and other competitive entrance exams. Teachers are at remote place at present, which should not be the reason for the loss of learning.

It is pertinent to note that MS HSC Board issues orders/ guidelines for compliance with short notice at many occasions, wherein students involvement for signature, interaction, verification, etc. is required. In view of this students are not expected to leave station without written information to Class teacher/Vice-Principal/Principal to avoid loss of academic information and action as instructed by MS-HSC Board.

We are going to welcome New Year 2021 with a prayer for Healthy and Peaceful year ahead for the entire mankind. At this juncture, I would like to draw attention of Students and Parents to resume the pace of learning for better learning and shining career with sincerity and dedication.

Principal
